Coaches,

I have a question for all of you – how can we build momentum and turn the coaches listserv into a vibrant community that coaches turn to when they need help or want to share their triumphs?

Please reply to the whole group>

Thanks,
Marjorie

Listserve Ground Rules

• We are all encouraged to state the communication purpose clearly in the “subject line” of our e-mails.

• The list is not moderated, that is, no one reviews the messages before they are sent.

• We expect everyone to act professionally, collegially, and to be “loving junk-yard dogs” (meaning constructive, loving critical criticism).

• If you see inappropriate behavior, it’s up to you to let the offender know (privately).

• If you need to escalate an issue, email clasch@tnc.org, off the list (privately).
Step 3: Check out Listserve Content on CCNet website

- Visit http://www.ccnetglobal.com/user-forum/
- You can view a 90 day archive of Listserve content, by thread (subject topic)
- You can download the full archive of Listserve content, by thread
- **Note:** people who reach the user forum on our CCNet website can only view content, they cannot post unless they are subscribed to the Listserve.
Step 4: Manage your Listserve account

On the http://npogroups.org/ website you can:

– Change your settings (preferences)
– Access archived messages
– Post a document to share with other coaches
– View and add events to the group calendar
